In Words:				

Terms & Conditions:

1. In all the above mentioned cases higher purity is better because water reduces extraction efficiency and complicates phase behaviour, *Delivery in sealed, tamper-proof containers.*
2. The bonafied and eligible bidders are requested to quote their price.
3. The bidders are desirable to have GST and PAN etc.
4. The quoted price should be inclusive of all taxes, if any.
5. Lowest bidder will be selected based on all the rates put together.
6. Quotations must specify the terms and conditions for supply including warranty where applicable and the rates should be quoted per unit basis inclusive of all taxes which should be mentioned clearly.
7. Cost of transport, loading , unloading etc . should be included in the given rate.
8. The bid shall **remain valid for 180 days** from the date of financial bid opening and shall be subject to vetting by the competent authority.
9. Issue of work order shall be subject to administrative approval, technical sanction and availability of funds from the competent authority. The amount of procurement may increase or decrease as per availability of fund.
10. This tender does not constitute a financial commitment by the University. The University reserves the right to cancel, modify or defer the tender process at any stage without assigning reasons. The University reserves the right to accept or reject any bid without assigning reasons.

As per decision of the...
meeting of the LTC held on...
tender notice is allowed to publish
as per rule
